BLACK RIVER

The missionary has served for three years leading the congregation alongside her cousin Regilce, who is also an evangelist. In the beginning, they faced many challenges due to lack of training and leadership experience, but they trusted God's calling and have witnessed the church's growth both in numbers and youth involvement. Currently, they are praying for resources to renovate the church building.

The missionary is married and mother to two children — a 13-year-old and a newborn. She has faced personal and family challenges, especially with her husband, who initially did not attend church but has since been drawing closer to God. The family testifies to the Lord's faithfulness even amid trials.

Current Challenges

- Most of the community is still unconverted;
- Difficulty reaching her own family with the Gospel;
- Limited resources to maintain and improve the congregation's facilities.
-

Prayer Requests

- For the life, health, and ministry of the missionary and her family;
- For evangelist Regilce and her family;
- For the salvation of their parents and other relatives;
- For the strengthening of the local church.
