

## JOÃO DE SOUZA

**Village: Bela Vista do Jaraqui**

Pastor Supervisor: Ivan Laray

## BLACK RIVER

With 31 years of faith and 27 years leading the Lord's work, the missionary has served with dedication, carrying out missions and visits to other communities, bringing the Word of God and strengthening the brothers and sisters.

His family has been a blessing and a constant support in the ministry. God has been working continuously in their lives, uniting them as instruments to reach lives and expand the Kingdom.

### Current Challenges

- Logistics for reaching other communities is a major obstacle, as the work depends on a safe boat and fuel for transportation.

### Prayer Request

- For the missionary, his family, and his church, that the Lord would strengthen and unite them even more in their missionary service.
