BLACK RIVER

The ministry is organized with Sunday worship services, family groups on Mondays, prayer meetings on Wednesdays, home worship services on Fridays, and additional services as needed.

My family is committed and fully involved in the missionary work, with my wife and children being 100% active, assisting in congregational activities and mission trips.

Field Challenges:

- Resistance from the community;
- Health issues (illnesses).

Prayer Requests:

- For my family;
- For the congregation;
- For those who have drifted away from the faith;
- For the advancement of the missionary work.
