SOLIMÕES RIVER

The missionary has served in the community for 1 year and 3 months, seeking with the help of the Holy Spirit to shepherd the sheep of Christ, caring for their spiritual, physical, and emotional needs. The congregation has grown alongside the missionary family, and the “Treasures of Cacao” project has been a blessing in reaching the community. Five Family Groups are being started to reach more families with the Gospel.

About the Missionary and Family

The missionary left his position at the university (Pro-Rector of Research and Graduate Studies) to respond to God’s call. He is currently pursuing a Master’s degree in Theology and Pastoral Studies. He is married to Raquel, who works at H.Stern (Manauara Shopping Mall). They have three daughters: Larissa, a university student and member of the worship team; Melissa and Rayssa, who are in elementary school.
