Acajatuba Lake, Black River

Supervisor: Pr. Laray

BLACK RIVER

The missionary conducts home visits, weekly worship services (on Tuesdays, Thursdays, Saturdays, and Sundays), prayer meetings on Mondays, and discipleship with new converts, strengthening the faith of families in the congregations served.

About the Missionary and Family

The family remains committed to the ministerial calling despite ongoing challenges in the field.

Current Challenges

- Lack of support and financial resources;
- Absence of leadership visits and follow-up, which causes discouragement, yet trust in the Lord remains strong.

Prayer Requests

- For physical and spiritual strength;
- That God would sustain the ministry and the health of the missionary's family.
